Dear Mr. Tallman:

With reference to your letter concerning the contribution of \$29,000.00 dated 5/12/95 made by the Butler County Republican Party to the Ohio Republican Party as reported on the Ohio Republican Party's 6/30/95 report to the FEC, this represents a number of early bird contributions collected by our organization on behalf of the Ohio Republican Party (ORP).

After our phone conversation and many other phone calls, I have been informed by Glenn W. Matthews, CFO of the ORP, that an amended return will be filed with the FEC showing the individual early bird contributions instead of the lump amount from the Butler County Party. Also, in the future, individual contributions will be reported by the ORP.

If you have additional questions, please contact me or Glenn W. Matthews at the ORP. My phone number is 513 425-3339, Glenn's phone number is 614 228-2481.

Sincerely yours,

Ken Landreth, PE, Treasurer  
Butler County Republican Party
